Questions 196-200 refer to the following job posting and e-mail.

### Now Hiring

ABM Contractors seeks mechanical engineers to work on contracts we have in the Canadian countryside. The position requires a minimum of seven years of experience working as a mechanical engineer. Excellent writing skills are required. Candidates must have a graduate degree in engineering. Candidates who can communicate in French at a conversational level will be given preference.

Please note that this position requires individuals to live near the location of the work in Canada for two to three months at a time.

To find out what is required to apply for the position, contact Mark Bettinger at (08) 8291-5000 before June 2.

**E-Mail Message**

---

**To:** Mark Bettinger <mbettinger@abm.com>  
**From:** Hiroshi Tanaka <htanaka@tait.co.jp>  
**Date:** May 25  
**Subject:** Applying for Position of Mechanical Engineer  
**File Attached:** Tanaka Professional Writing Sample

---

Dear Mr. Bettinger,

Per your request, below is a copy of my résumé. I have also attached a writing sample to the e-mail. As we discussed earlier, I have many more years of experience as an engineer than are required for the job. In addition, I am highly productive working in a team environment.

If you have any questions about my résumé or qualifications, please feel free to contact me.

Thank you, Hiroshi Tanaka
